# cookie policy

## 1. introduction

to make this site work properly, we sometimes place small data files called cookies on your device. like many other websites, we may use them to help you personalise your online experience.

our site may contain links to other websites. please note that we have no control over how your data is collected, stored, or used by other websites and we advise you to check the privacy policies of any such websites before providing any data to them.

## 2. what is a cookie?

a cookie is a small text file that a website saves on your computer or mobile device when you visit the site. it enables the website to remember your actions and preferences (such as language, font size and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

## 3. how are cookies used by our service providers?

we use google analytics to analyse the use of this website. google analytics generates statistical and other information about website use by means of cookies, which are stored on users' computers. the information generated relating to our website is used to create reports about the use of the website. google will store this information. google's privacy policy is available at: <https://policies.google.com/privacy>

the cookies we collect may be used for:

- essential website functionality
- enhancing the website performance
- website traffic analysis
- behavioural advertising

we use **twitter, instagram & facebook** to provide a social media service and serve a social media feed. this service uses cookies to identify and track visitors. we have no control over cookies set by these providers. you can view the cookie policy of these service providers on their platforms.

## 4. how to control cookies

you can block or restrict the use of cookies through your browser settings. for more information on cookies, their use and blocking them you may want to visit [www.aboutcookies.org.uk](http://www.aboutcookies.org.uk). if you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.
